REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The newly presented Claim 21, encompasses the subject matter of original Claim 8, for which no prior art was found teaching an impedance measuring method in an energized power distribution system, wherein measurements of the first AC voltage, the second AC voltage and measurements of the AC current used in generating the summed voltage difference squared and the summed current squared, are selected to eliminate any power factor in the energizing AC power.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marina Kramskaya whose telephone number is (571)272-2146. The examiner can normally be reached on M-F 7:00-4:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Diane Lee can be reached on (571)272-2399. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
